NOTICE OF TEMPORARY BYWAY DETOUR

Due to damage from winter storms, a portion of the Mt. Hood Scenic Byway (Lusted Road) is currently closed for repairs. It is recommended that travelers of the Mt. Hood Scenic Byway instead use the following detours:

Eastbound towards Mt. Hood: Travel east from Gresham on Orient Rd. and then Dodge Park Blvd. per the route. To detour, from Dodge Park Blvd. go south (right) on Altman Rd., then east (left) on Bluff Rd. Follow Bluff Rd. into the city of Sandy, where Bluff Rd. reconnects with the Byway. Rejoin the route by following the Byway road signs from there.

Westbound towards Gresham: Travel west through Sandy on Hwy. 26. Follow signs for Jonsrud Viewpoint. At Bluff Rd, go north (right). Follow Bluff Rd. until it intersects with Altman Rd. At that point, go north (right). Proceed on Altman Rd, then rejoin the Byway by going west (left) at Dodge Park Blvd., following the Byway road signs from there.
