

Emergency Information for Tourism Businesses

Thank you for being part of Clackamas County's tourism community. As a tourism business you're an important touchpoint for visitors to our area, providing one-of-a-kind experiences as well as information. By familiarizing yourself with the emergency information below, you will be better prepared to assist your visitors in case of wildfire, public safety power shutoffs, evacuations or other natural or man-made disasters.

Sign Up For Alerts

The easiest way to stay in the loop for emergency warnings is to sign up for notifications through Clackamas County's public alerts system. **Business owners and employees are encouraged to sign up for alerts.** You can choose to receive text messages, emails or phone calls. Alerts include weather events, evacuation instructions, notice of public safety power shutoffs (PSPS), or additional safety information.

Recommended Items to Include in a Basic Emergency Supply Kit:

- Water and non-perishable food for several days
- Extra cell phone battery or charger
- Battery-powered or hand crank radio that can receive NOAA Weather Radio tone alerts and extra batteries
- Flashlight and extra batteries
- First aid kit
- Whistle to signal for help
- Dust mask, to help filter contaminated air and plastic sheeting and duct tape to shelter-in-place
- Moist towelettes, garbage bags and plastic ties for personal sanitation
- Non-sparking wrench or pliers to turn off utilities
- Can opener (if kit contains canned food)
- Local maps

Have Supplies on Hand

Having emergency supplies on hand can benefit you and your visitors. Consider having an emergency kit at your businesses with supplies for your staff, your visitors and yourself in case of emergencies. You may want to include extras of items that you could easily provide to visitors, like N95 dust masks, bottled water or local maps.

Know Your Evacuation Levels

Clackamas County uses a 3-level evacuation system. Know what each level means and how to advise your visitors.

BE READY. BE SET. GO NOW!

Know evacuation levels and follow advice of emergency officials.
Make the best decision for your safety. Don't wait to evacuate if you feel unsafe!

LEVEL 1

BE READY

PREPARE TO EVACUATE
BE AWARE OF DANGER IN THE AREA

- ✓ Stay informed.
- ✓ Have your plan & go-kit ready.
- ✓ Act early if you or your loved ones can't move quickly.

LEVEL 2

BE SET

BE SET TO EVACUATE AT A MOMENT'S NOTICE
SIGNIFICANT DANGER IN THE AREA

- ⚠ Follow your evacuation plan & grab your go-kit.
- ⚠ Check news & radio for updates.
- ⚠ Conditions change rapidly. Leave if you feel unsafe.

LEVEL 3

GO NOW!

LEAVE IMMEDIATELY!
EXTREME DANGER IN THE AREA

- 🚶 Leave without delay. It is unsafe to stay.
- 🚶 Do not stop to gather belongings or protect your home.
- 🚶 Do not return until officials announce the area is safe.

Stock Up On Information And Maps

Having printed information available can be helpful if cell service is out. Prepare with a few printed resources that you can refer to or share with guests in emergency situations. Print the graphic above, or find a more detailed evacuation information including packing lists in this printable guide:
