

PHOTO / VIDEO SHOOT

For businesses that would like to build a library of professional photos or video b-roll highlighting their business experience, space and products.

Details

How your business is visually represented in your marketing, social media, website and beyond is often visitors' first impression. Make it a good one with a professional photo or video shoot through Mt. Hood Territory's co-op program. The Mt. Hood Territory team will help you navigate the process of working with a professional photo/video company including setting up a shoot (models provided if needed!), creating a shot wish list and selecting your final photos/video clips. You'll have full rights to the final files for use in your advertising.

Photo

Shoot Details: Plan for a half day at your location.

Final Product: A minimum of 10 fully edited images including RAW files.

Cost: \$500 (compare at \$1,500)

Video

Shoot Details: Plan for 4 hours of shooting at your location.

Final Product: A compilation of fully edited high-res b-roll video clips (note – this co-op does not include video/ad production). Includes drone footage.

Cost: \$500 (compare at \$1,500)

To Participate

1. [Sign up using our online form](#). Indicate which distribution areas you are interested in, the current status of your brochures (printed or not) and when you would like to begin distribution.
2. We then contact you to confirm your participation and introduce you to the professional photography/videography team working on this project.
3. You work with the photo/video team to arrange the shoot, with Mt. Hood Territory looped into all communications to provide support and input.
4. Mt. Hood Territory will send you an invoice.
